DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's Vegetable Compound

Paw Paw, Mich.—"I suffered terribly from female ills, including inflammation and congestion, for several years. My doctor said there was no hope for me but an operation. I began taking Lydia E. Pinkham's Vegetable Compound, and I can now say I am a well woman."

Emma Draper.

Chicago, Ill.—"I want women to know what that wonderful medicine, Lydia E. Pinkham's Vegetable Compound, has done for me. Two of the best doctors in Chicago said I would die if I did not have an operation, and I never thought of seeing a well day again. I had a small tumor and female troubles so that I suffered day and night. A friend recommended Lydia E. Pinkham's Vegetable Compound, and it made me a well woman."

Mrs. ALVENA SPERLING, 11 Langdon St., Chicago, Ill.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to many suffering women.

WANTED A BOARDING-HOUSE WITH LOTS OF PRETTY GIRLS.

ATLANTA, Ga., Sept. 22.—Because he had a friend who wanted a boarding-house where there was a lot of pretty girls, J. S. Gulley got into serious trouble and was fined \$5.75 by the recorder yesterday morning.

Gulley lives in the country a few miles from the city, near a settlement known as Ingleside. He is an elderly man and one who has long borne a most excellent reputation. He came to town last Monday and met a friend on Decatur street. The friend said he had left the country and had come to Atlanta to get work.

"I want a good boarding house," said Gulley's friend, "and I would like one where there are a lot of real pretty young ladies. You see, I am a great admirer of the fair sex."

Gulley is accommodating, if he is anything, and he told his friend, just as Happy Hooligan would have done, "I'll help you."

Gulley thought he knew of a boarding-house at 492½ Decatur street, and he went to the place. He met Mrs. Mattie Craft, who, with several other married women occupy rooms in the flat. Gulley began talking about a boarding-house. He is not a very distinct talker and he was told that the place was no boarding-house. He apparently misunderstood the reply, for he at once blurted out:

"Say, are there a lot of pretty girls up here?"

That was too much, and Mrs. Craft and other women in the flat called for the police and had Gulley locked up.

By some queer freak of the pen, the charge against Gulley on the docket was "cruelty to animals."

Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers who found Swamp-Root to be just the remedy needed. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
